Dear Sirs,

On 12/2/2008 I faxed a payment for \$1,020.00 which included a \$720 Issue Fee and a \$300 publication fee [as was indicated on PTOL-85 form I received from USPTO]. I called the Service Center today to see if there were any open issues that would prevent the patent grant. I was told that since I did not pay prior to 10/11/2008, the Issue Fee Due was now \$755.00 which is an increase of \$35.00 from the \$720.00 issue fee indicated on the PTOL-85 and that I needed to submit a fee transmittal for this additional amount. By this fax transmittal, I submit an additional \$35.00 payment required to completely pay the fees due on 10/707,158 and have this patent granted, issued and published.

Sincerely,

*Philip Jeffrey Seaman*
